 HdG Activity Center – This is the location of our troupe/class meetings & almost all of our rehearsals for our various productions. It is also the location for the performances of many of our productions. This is also one of the places where tickets for our performances can be purchased. This is also the location of the *Holiday Open House* where we help with caroling, elves & reindeer. We also meet here for costuming for the HdG Mardi Gras Parade.

 HdG Visitor Center – This is the location where we traditionally meet before the Halloween Parade Dance (Teen Troupe members audition for this) to get into make-up & costume. This is another place where tickets for our performances can be purchased.

 HdG Halloween Parade – This is the location where the parade (which is a parade of costumes up onto & across a stage) occurs. Our group traditionally performs for the crowd while the judges of the costume contest deliberate.

 American Legion Hall – This is where we meet to line up for the HdG Christmas Parade. This is also where the HdG Mardi Gras Parade ends.

 HdG HS Auditorium/Gym & Student Parking Lot – The student parking lot is where the line up for the HdG Mardi Gras Parade takes place. This is also where you can park when dropping off & picking up during Tech Week rehearsals & performances for the Spring musical. Tech week rehearsals are usually Mon-Thurs before the performances that take place on Fri & Sat. All of this is pending the approval of HCPS.

 HdG Christmas Tree – The HdG Christmas Parade goes just passed this location & then stops. After the parade, please return the Drama Guild scarves, then stick around to enjoy the festivities if you like.

 HdG Library – Sometimes there are events that we help with at the library. One such event is their Christmas Open House where the Lewis Lane Singers may carol.

 Opera House – We are helping raise funds for the renovation of this building in the hopes that, when it is ADA compliant, we may use it as a venue for some of our performances.

 Tydings Park – This is the location of many local events like the Art Show & the annual Easter Egg Hunt. Sometimes we perform at these events; sometimes we help with their set-up &/or during the event.

 HdG City Hall (next to HdG Police Station) – These are good locations to know in general, but the Lewis Lane Singers sometimes perform for at City Hall for City Council Meetings.

McDonald's, Pat's & Burger King are also labeled for your convenience.

Applebee's Breakfast Fundraisers – These take place at the Aberdeen Applebee's - which is just off of exit 85 of I95.
